CAREER SUMMARY

11 yrs in accounts payable at a shared-services centre in Penang. Handle high volume invoice processing for 6 regional entities (MY, SG, TH). Looking for a new role in finance / sustainability reporting where my reconciliation and audit experience is useful.

WORKING EXPERIENCE

Senior Accounts Payable Executive
Seri Mutiara Shared Services Sdn Bhd (fictional), Bayan Lepas Jan 2015 - present

- Process approx. 1,200 supplier invoices / month in SAP S/4HANA (MIRO, FB60): invoice data entry, GL coding and cost centre checks.
- 3-way matching of PO, invoice and GRN; resolve price & quantity mismatches with buyers and warehouse.
- Prepare weekly payment runs (F110) for about RM 2.4 mil a week, check cash position before release.
- Monthly vendor statement reconciliation to the ledger, investigate and clear unexplained differences.
- Prepare SST computation and support the quarterly SST-02 return with the tax team.
- Handle vendor disputes & queries (email / phone), avg 40 cases a month, escalations to buyers.
- Prepare audit evidence packs for external auditors every year end; keep the document trail complete, zero repeat audit findings for AP in FY2023 and FY2024.
- Build month-end AP ageing and accruals reports in Excel (pivot tables, VLOOKUP / XLOOKUP).
- Key user for SAP S/4HANA FI-AP: vendor master changes, posting rules, user testing for the 2022 upgrade.
- Learning Power BI on my own; built a first AP ageing dashboard for my team lead (pilot only).
- Led small project to redesign the payment-run checklist, cut payment errors from ~15 to 3 a quarter.

Accounts Payable Clerk
Kedai Contoh Trading Sdn Bhd (fictional), Butterworth 06/2012 - 12/2014

- Data entry of invoices into accounting system, filing of supporting documents.
- Recieved and checked supplier statements.

EDUCATION

Diploma in Accounting - Politeknik Contoh (fictional), 2012
SPM 2008

SKILLS

- SAP S/4HANA (FI-AP), MS Excel (advanced), SST
- Power BI dashboards (basic)
- Python for data analysis (beginner, online course)
- Teamwork, attention to detail

Languages: Bahasa Malaysia (fasih), English, Tamil
